於9月12日晚上，舉辦「土地供應專責小組公眾參與活動」諮詢會，邀得土地供應專責小組主席黃遠輝、副主席黃澤恩博士、香港願景召集人曾鈺成教授擔任主講及嘉賓。

On 12th September, Mr. Stanley Wong Yuen-fai (Chairman), Dr. Greg Wong Chak-yan (Vice-chairman) of the Task Force on Land Supply and Mr. Tsang Yok-sing, Convenor of Hong Kong Vision Research Programme was invited to conduct a "Task Force Consultation".

土地短缺問題困擾香港多時。近年樓價高、租金貴、上車難等等問題更顯突出，成為大眾最關心的重要議題。

香港數十年來經歷大規模的社會及經濟結構轉變，城市規劃及土地發展須要適時配合人口、社區及經濟增長，滿足不同的社會需要，從來都是艱鉅的挑戰。社會上不乏增加土地的建議及策略，但對眾多土地供應選項的利弊、取捨和優次，卻欠缺共識，令到過去十年間，土地開發的步伐幾乎停頓，可謂原地踏步，導致各項土地資源不足。

婦協發揮平台作用，2018年9月及10月特別就土地短缺及解決方案舉辦兩個座談會，並綜合出席者意見及理事會意見撰寫回應行政長官施政報告意見書，支持「明日大嶼」對解決土地短缺問題的關鍵作用。

Shortage of land has been a crucial issue in Hong Kong. Citizens of Hong Kong have been suffering from drastically uprising flat costs, significantly increasing rent; inadequate home living spaces; insufficient social facilities and high operational costs. Cost of houses, the economy and the high demand of land have become the foremost concern of people in Hong Kong.

HKFW had organized two seminars in September and October 2018 at which women could express their views and concerns on the high demand of land.
